SITE LOCATION

About Umroli: Umroli is a fast developing suburb. It is located 4 km south of Boisar & 4.5 km from Palghar on the Western Railway line. It can be reached from National Highway NH-4. It is 40 km North of Virar. Its proximity to the MIDC zone ensures ample supply of water and electricity. With the extension of western railways upto Dahanu Road, Umroli has already started developing.

Vidhata Developers is launching its second project "Om Chambers" on Palghar-Boisar road and a 2 minutes convenient walk to the station. Om Chambers offers the advantage of pure air and healthy living, still being close to city life. With 18 shops on the ground floor we plan to provide a place for all small businesses and entrepreneurs while 16 flats ensure affordable housing with modern amenities.
